1. Statement of Intent

The Respect Collaboration Trust values the dignity, distinctiveness and learning of every pupil. Staff at all levels across the Trust will apply this policy fairly and consistently in line with the core values of RESPECT.

In order to facilitate progress and learning, acceptable behaviour must be demonstrated in all aspects of school life. Pupils are helped to understand the need for rules and respect the rule of law. This helps pupils engage more successfully in learning and helps prepare them for success in wider society as adults.

Our school's approach to positively managing behaviour is defined by a sense of unconditional positive regard. Our vision is that every day is a new day and we never give up on a child.

Reasonable and proportionate sanctions will be used where a pupil's behaviour falls below the standard that is expected, alongside support to prevent recurring misbehaviour.

Our schools acknowledge that behaviour can sometimes be the result of educational needs, mental health issues, or other needs or vulnerabilities, and will address these needs via an individualised graduated response.

- Supporting their child in adhering to the school rules and reinforcing this at home.
- Informing the school of any changes in circumstances which may affect their child's behaviour.

5. Staff induction, development and support

5.1 All new staff across our schools will be inducted clearly into the school's behaviour culture to ensure they understand its rules and routines and how best to support all pupils to participate in creating the culture across Trust Schools. Staff will be provided with bespoke training, where necessary, on the needs of pupils at the school to enable behaviour to be managed consistently.

5.2 The school will consider any appropriate training which is required for staff to meet their duties and functions in accordance with this policy, including on understanding matters which may affect a pupil's behaviour, e.g. SEND and mental health needs.

5.3 Members of staff who have, or are aspiring to have, responsibilities for leading behaviour or supporting pupil wellbeing will be supported to undertake any relevant training or qualifications.

5.4 Staff will know where and how to ask for assistance if they're struggling to build and maintain an effective culture of positive behaviour.

5.5 The SLT and the Headteacher will review staff training needs annually, and in response to any serious or persistent behaviour issues disrupting the running of the school.

5.6 To support this approach and our employees, we have a structured new employee induction for positive behaviour and our approach around a mnemonic that contains 5Ps:

- **Promoting positive behaviour** (high expectations, role modelling, empathy and anticipation).
- **Purposeful intervention** (purpose over punishment, process around the person, proactive).
- **Post incident learning** (accurate and factual recording, child's perspective, solution focused).
- **Planning for success** (personalised, inclusive, "live" and up to date).
- **Prepare for the unexpected** (self-regulate, dynamic risk assessment, always best interests).

6. Social, Emotional and Mental Health (SEMH) needs

6.1 To help reduce the likelihood of behavioural issues related to SEMH needs, Respect Collaboration Trust will create a safe and calm environment in which positive mental health and wellbeing are promoted, and pupils are taught to be resilient. The school will promote resilience as part of a whole-school approach using the following methods:

- Culture, ethos and environment – the health and wellbeing of pupils and staff is promoted through the informal curriculum, including leadership practice, policies, values and attitudes, alongside the social and physical environment.
- Teaching – the curriculum is used to develop pupils' knowledge about health and wellbeing.

- Community engagement – the school proactively engages with parents, outside agencies and the wider community to promote consistent support for pupils' health and wellbeing.

6.2 All staff will be made aware of how potentially traumatic adverse childhood experiences, including abuse and neglect, can impact on a pupil's mental health, behaviour, and education. Where vulnerable pupils or groups are identified, provision will be made to support and promote their positive mental health.

7. Managing Behaviour

7.1 Across Respect Collaboration Trust, instances of unacceptable behaviour will be taken seriously and dealt with immediately. Staff will respond promptly, predictably and with confidence to maintain a calm, safe learning environment. Staff will consider afterwards how to prevent such behaviour from recurring.

7.2 School staff will keep a record of all reported incidents to help identify pupils whose behaviour may indicate potential mental health or safeguarding problems. All staff will be alert to changes in a pupil's behaviour that could indicate they need help or protection.

7.3 Support, such as targeted discussions with pupils, a phone call with parents, and inquiries into circumstances outside of school by the DSL, will be provided alongside the use of sanctions to prevent the misbehaviour recurring.

7.4 Unconditional and consistent re-enforcement of positive behaviour is always more effective than sanctions. However, in cases of repeated misbehaviour or when a behaviour incident is extreme, for example, it causes harm to themselves or others, staff will adopt the following 5 step approach:

1. De-escalate – support the pupil to re-align themselves so that they become in control of their own feelings, emotions and actions.
2. Connect – the adults involved will help the pupil to regulate (or signpost to the most appropriate colleague - this is the adult at school with which the child has the best 'connection.').
3. Reflect – the key person will support the pupil to explain, in their words, what has happened.
4. Empathise – staff will support the pupil to understand how their actions may have impacted others.
5. Restore – the key person will work with the child to develop a course of action (a sanction) that is logical and purposeful. The course of action will aim to support the child to change their behaviour, restore a relation and/or fix a problem.

7.5 Logical consequences could include but may not be limited to:

- Completing missed work at an agreed time.
- Missing break or lunch time play for an agreed period of time.

- Repairing/restoring/replacing any damaged or broken items or property.

7.6 Any logical consequences should be completed with the pupil's key worker or member of the school's senior leadership team, if appropriate.

7.7 As well as the above, the repeated misbehaviours or extreme behaviour must be:

- Discussed with the child's family.
- Appropriately monitored to identify trends and patterns that could help inform improvements.
- Reported to the Headteacher or Deputy Head who may decide to apply other actions such as:
 - Meeting with the child's family to develop a personalised plan of action.
 - Creating and monitoring the impact of a behaviour support plan (BSP).
 - Moving groups.
 - Suspending the pupil for a period of days.

Treating all children in the same way may be unlawful where disability affects behaviour

7.8 Principles

Rights	Responsibilities
<ul style="list-style-type: none"> ▪ To be treated with respect. ▪ To feel safe (emotionally and physically). ▪ To make mistakes. ▪ To be treated courteously by ALL members of the school community. ▪ To be listened to without being judged. 	<ul style="list-style-type: none"> ▪ To respect others and the school environment ▪ To behave in a way that does not cause risk or alarm to others ▪ To reflect on mistakes and allow others to make mistakes. ▪ To treat everyone courteously. ▪ To model courteous behaviour. ▪ To listen to others without prejudging.

8. Suspensions

8.1 The safety and welfare of pupils and staff extremely important. The school will only suspend a pupil where it is absolutely necessary, and where all other possible disciplinary sanctions have failed to be successful.

8.2 The following examples of behaviour may underline the school's decision to exclude a pupil:

- Any incident which poses a risk to other pupils or members of staff, e.g. bringing a weapon onto the premises.
- Any incident that deliberately compromises the safety/welfare of members of the school community.
- Any incidents which breach the law.
- Persistent bullying.
- Verbal and/or physical abuse.

- A single, serious and major incident, e.g. serious assault on another individual leading to injury.

8.3 Pupils can be excluded on a fixed-period basis, i.e. up to 45 school days within a year, or permanently. Similarly, pupils can be permanently excluded following a fixed-period exclusion, where further evidence is presented.

8.4 In some circumstances the school may exercise its right to direct a pupil to receive off-site education to help manage a pupils needs and improve their engagement with the schools values. This will be in consultation with stakeholders and as part of strategy to avoid suspension and maximise progress.

8.5 Please see the school's exclusions policy for more information on the school's use of exclusions.

9. Prohibited items, searching pupils and confiscation

9.1 Headteachers and staff authorised by them will have a statutory power to search pupils or their possessions, without consent, where they have reasonable grounds for suspecting that the pupil may have a prohibited item. Authorised members of staff will be permitted to use reasonable force when conducting a search without consent for the prohibited items listed below, in line with the school's Physical Intervention Policy and Search, Screening and Confiscation guidance.

9.2 The prohibited items where reasonable force may be used are:

- Knives and weapons
- Alcohol
- Illegal drugs
- Stolen items
- Tobacco and cigarette papers
- Fireworks

 - To commit an offence; or
 - To cause personal injury to any person, including the pupil themselves; or
 - To damage the property of any person, including the pupil themselves.

9.3 Pupils will not be permitted to use their mobile phones during the course of the school day in accordance with the School IT Device and Network Acceptable Use Policy. Any pupil found using their mobile phone during the school day will have their device confiscated. Staff members will consider whether confiscation is proportionate and consider any special circumstances relevant to the case. The Headteacher will determine the proportionate length of time for confiscation.

9.4 Mobile phones will be handed in on arrival – pupils will be permitted to access their mobile phones before and after school but will be required to hand their phone in at the beginning of the school day to be collected at the end of the school day.

9.5 The schools also identify the following as prohibited items which may be searched for by authorised staff without consent if necessary; however, reasonable force will not be used under any circumstances:

- E-cigarettes and vapes
- Lighters
- Aerosols
- Legal highs/psychoactive substances
- Energy drinks
- Mobile phones.

10. Rewards and Achievement

10.1 The school will recognise that praise is key to making pupils feel valued and ensuring that their work and efforts are celebrated. When giving praise, teachers will ensure:

- They define the behaviour that is being rewarded.
- The praise is given immediately following the desired behaviour.
- The way in which the praise is given is varied.
- Praise is related to effort, rather than only to work produced.
- Perseverance and independence are encouraged.
- Praise is only given when a pupil's efforts, work or behaviour need to be recognised, rather than continuously without reason.
- The praise given is always sincere and is not followed with immediate criticism.

11.2 Behaviour data will be monitored by key staff to ensure that an incident has been followed up and a suitable consequence/reward has been given.

11.3 If a behaviour incident occurs, there is a duty for staff to record what has happened and also for this to be followed up by key staff. A detailed record of the incident, who was involved, and responsive actions must be recorded on the MIS.

12. Monitoring and Review

This policy will be reviewed on an annual basis; they will make any necessary changes and communicate these to all members of staff and relevant stakeholders.
